

Discover and trace the shapes

With a grown-up, use a pencil to trace each shape.

Circle

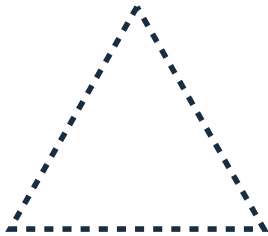

Think of a matching object.

Square

Think of a matching object.

Triangle

Think of a matching object.

Rectangle

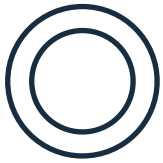

Think of a matching object.

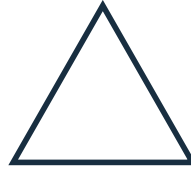

Hint: Circles have no corners. Triangles have three corners.

Match objects to their shapes

Draw a line from each object to the correct shape on the right.

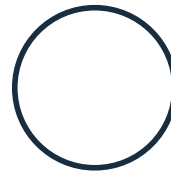

Plate

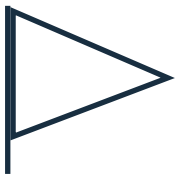

Triangle

Book

Circle

Flag

Rectangle

Tile

Square

Talk together with a grown-up:

Can you spot another rectangle or circle around you?

Count the corners of the shapes together.
